Since you said you like Michael Vernon, I thought I would write something about him. Yes, he is cute, and you fell so deeply in love with him, but I didn't this time: believe it or not. I'll tell you what you dwell over Michael and I'll dwell over David Snyder; okay. Now I'll go talk about school which is boring. How has your year been? so far mine's been great, but I'm glad it's almost over. I didn't have too much trouble this year. Now let's talk about the week-ends we have together, I can't wait until we go back to the movies again. All those people we talk about, I'm ^{RESERVED} sure glad they didn't hear what we say, because if they did, they would beat the crap out of us. Well I'm going on to Jimmy, remember what he does to me and you, all he can do is bug us, and talk to you over the telephone and talk to me about you. I'll never forget about those three drinks you got for 30¢, and they were gone in one second. And when we got in the raft and me and Janera and you would take it out and we would jump out and swim back to shore, and leave you with it to bring in because you said you couldn't swim to good, so we had to do some of the things you could do. Oh well I finally got my license and now we can have cornucopis left and right, whenever we want too.

Becky,
What a great year
this has been. I
have had some
great laughs in
drama. You are
a real good actress.
Next year we will
be seniors, it
doesn't seem
possible. We
will soon be
out of school
and on our
own. Sounds
scary doesn't it?
Have a nice
Summer & I will
see you next year.

PS. Friends
stay out of trouble! Forever,
Bonnie

In the context of a person's life
caring has a way of ordering his
other values and activities . . .
Through caring for others, by
serving them through caring, a
person lives the meaning of his own
life. In the sense in which a person
can ever be said to be at home in
the world, he is at home not
through dominating, or explaining,
or appreciating, but through caring
and being cared for.

"The Road goes ever
on and on

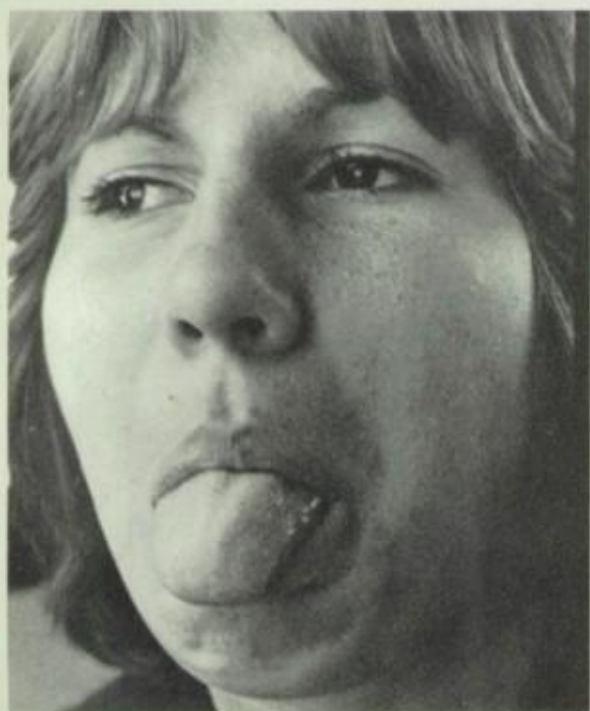

Down from the door
where it began

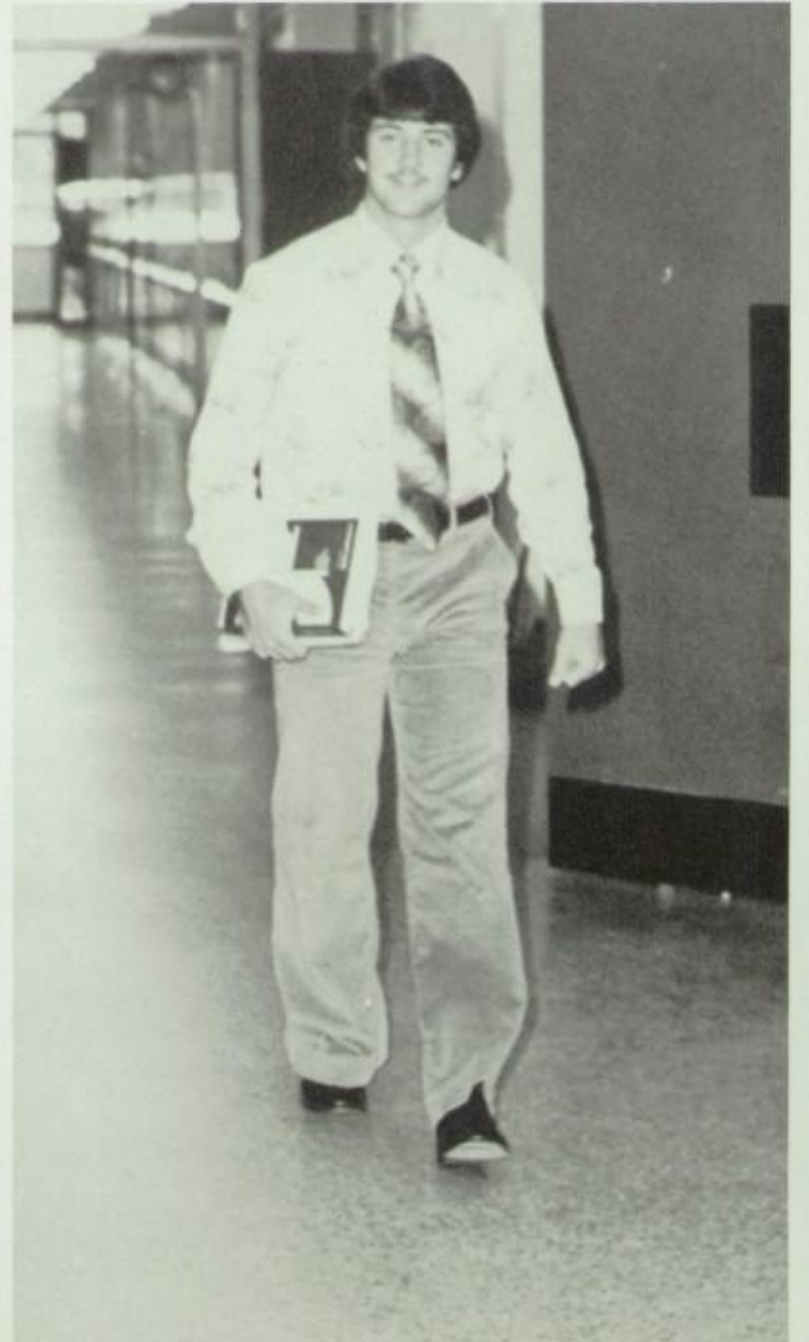

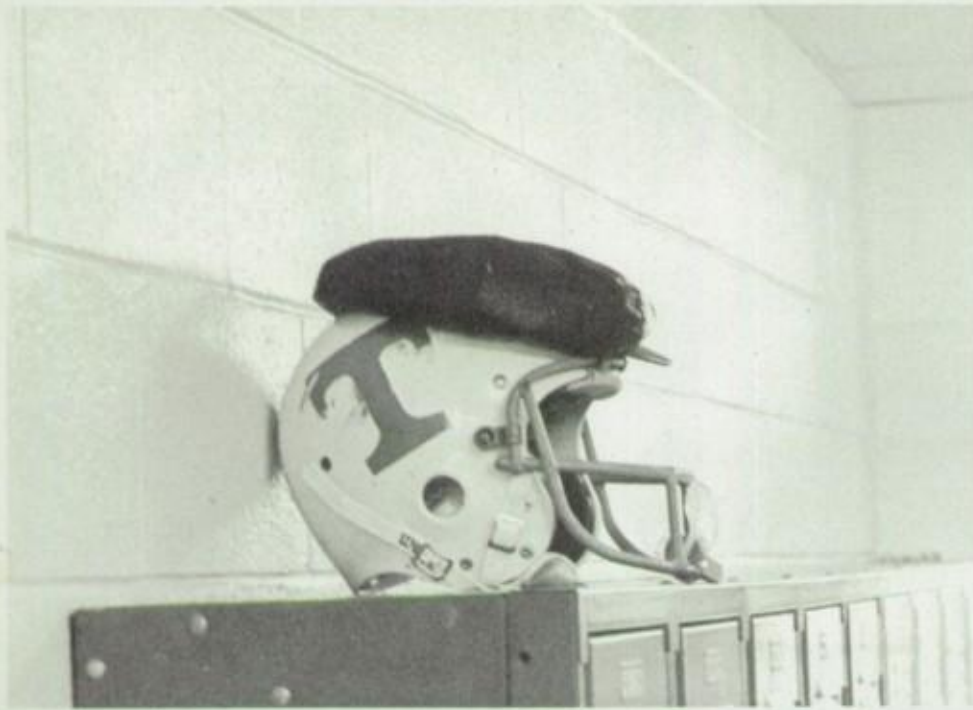

Now far ahead the
Road has gone,

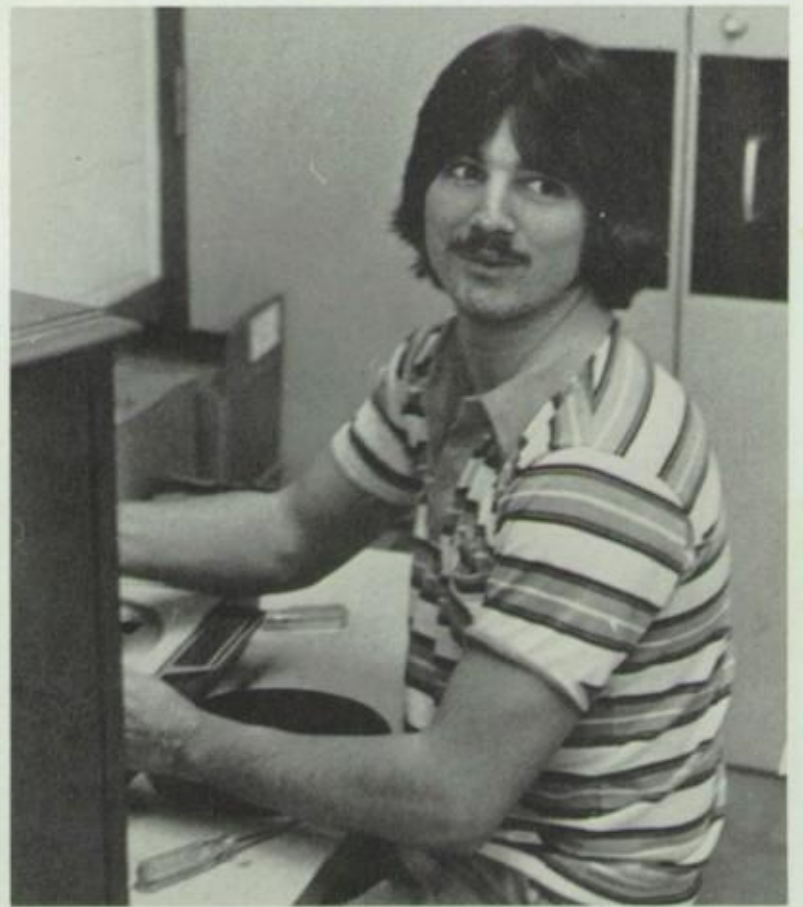

And I must
follow, if I

Pursuing it with
eager feet,

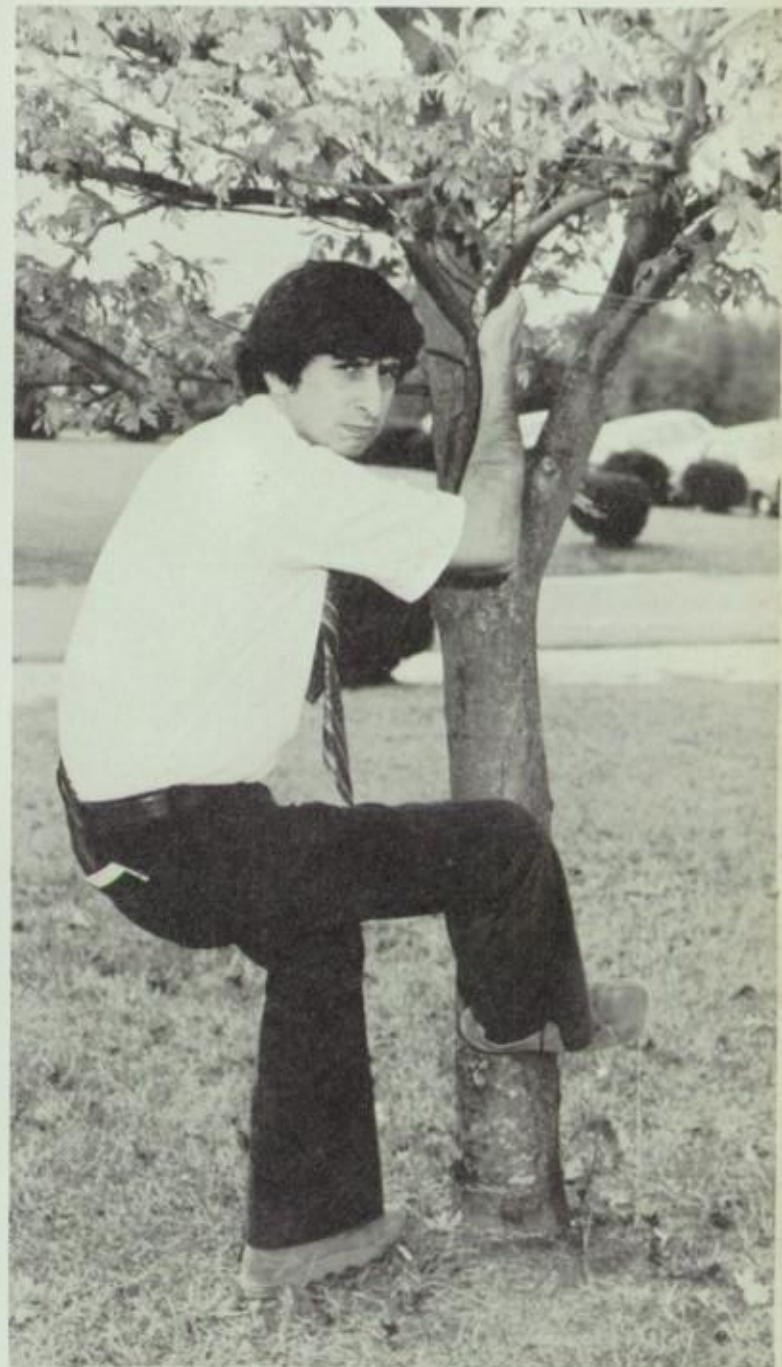

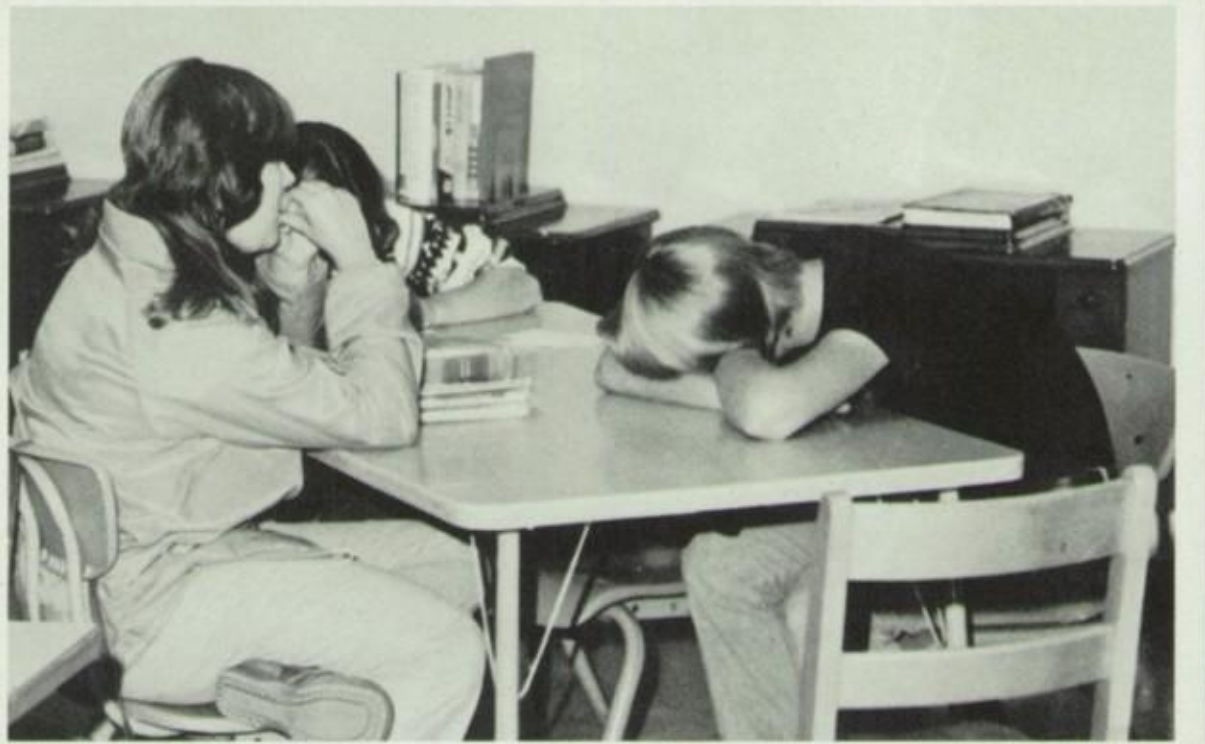

Until it joins

Where many
paths and
errands meet

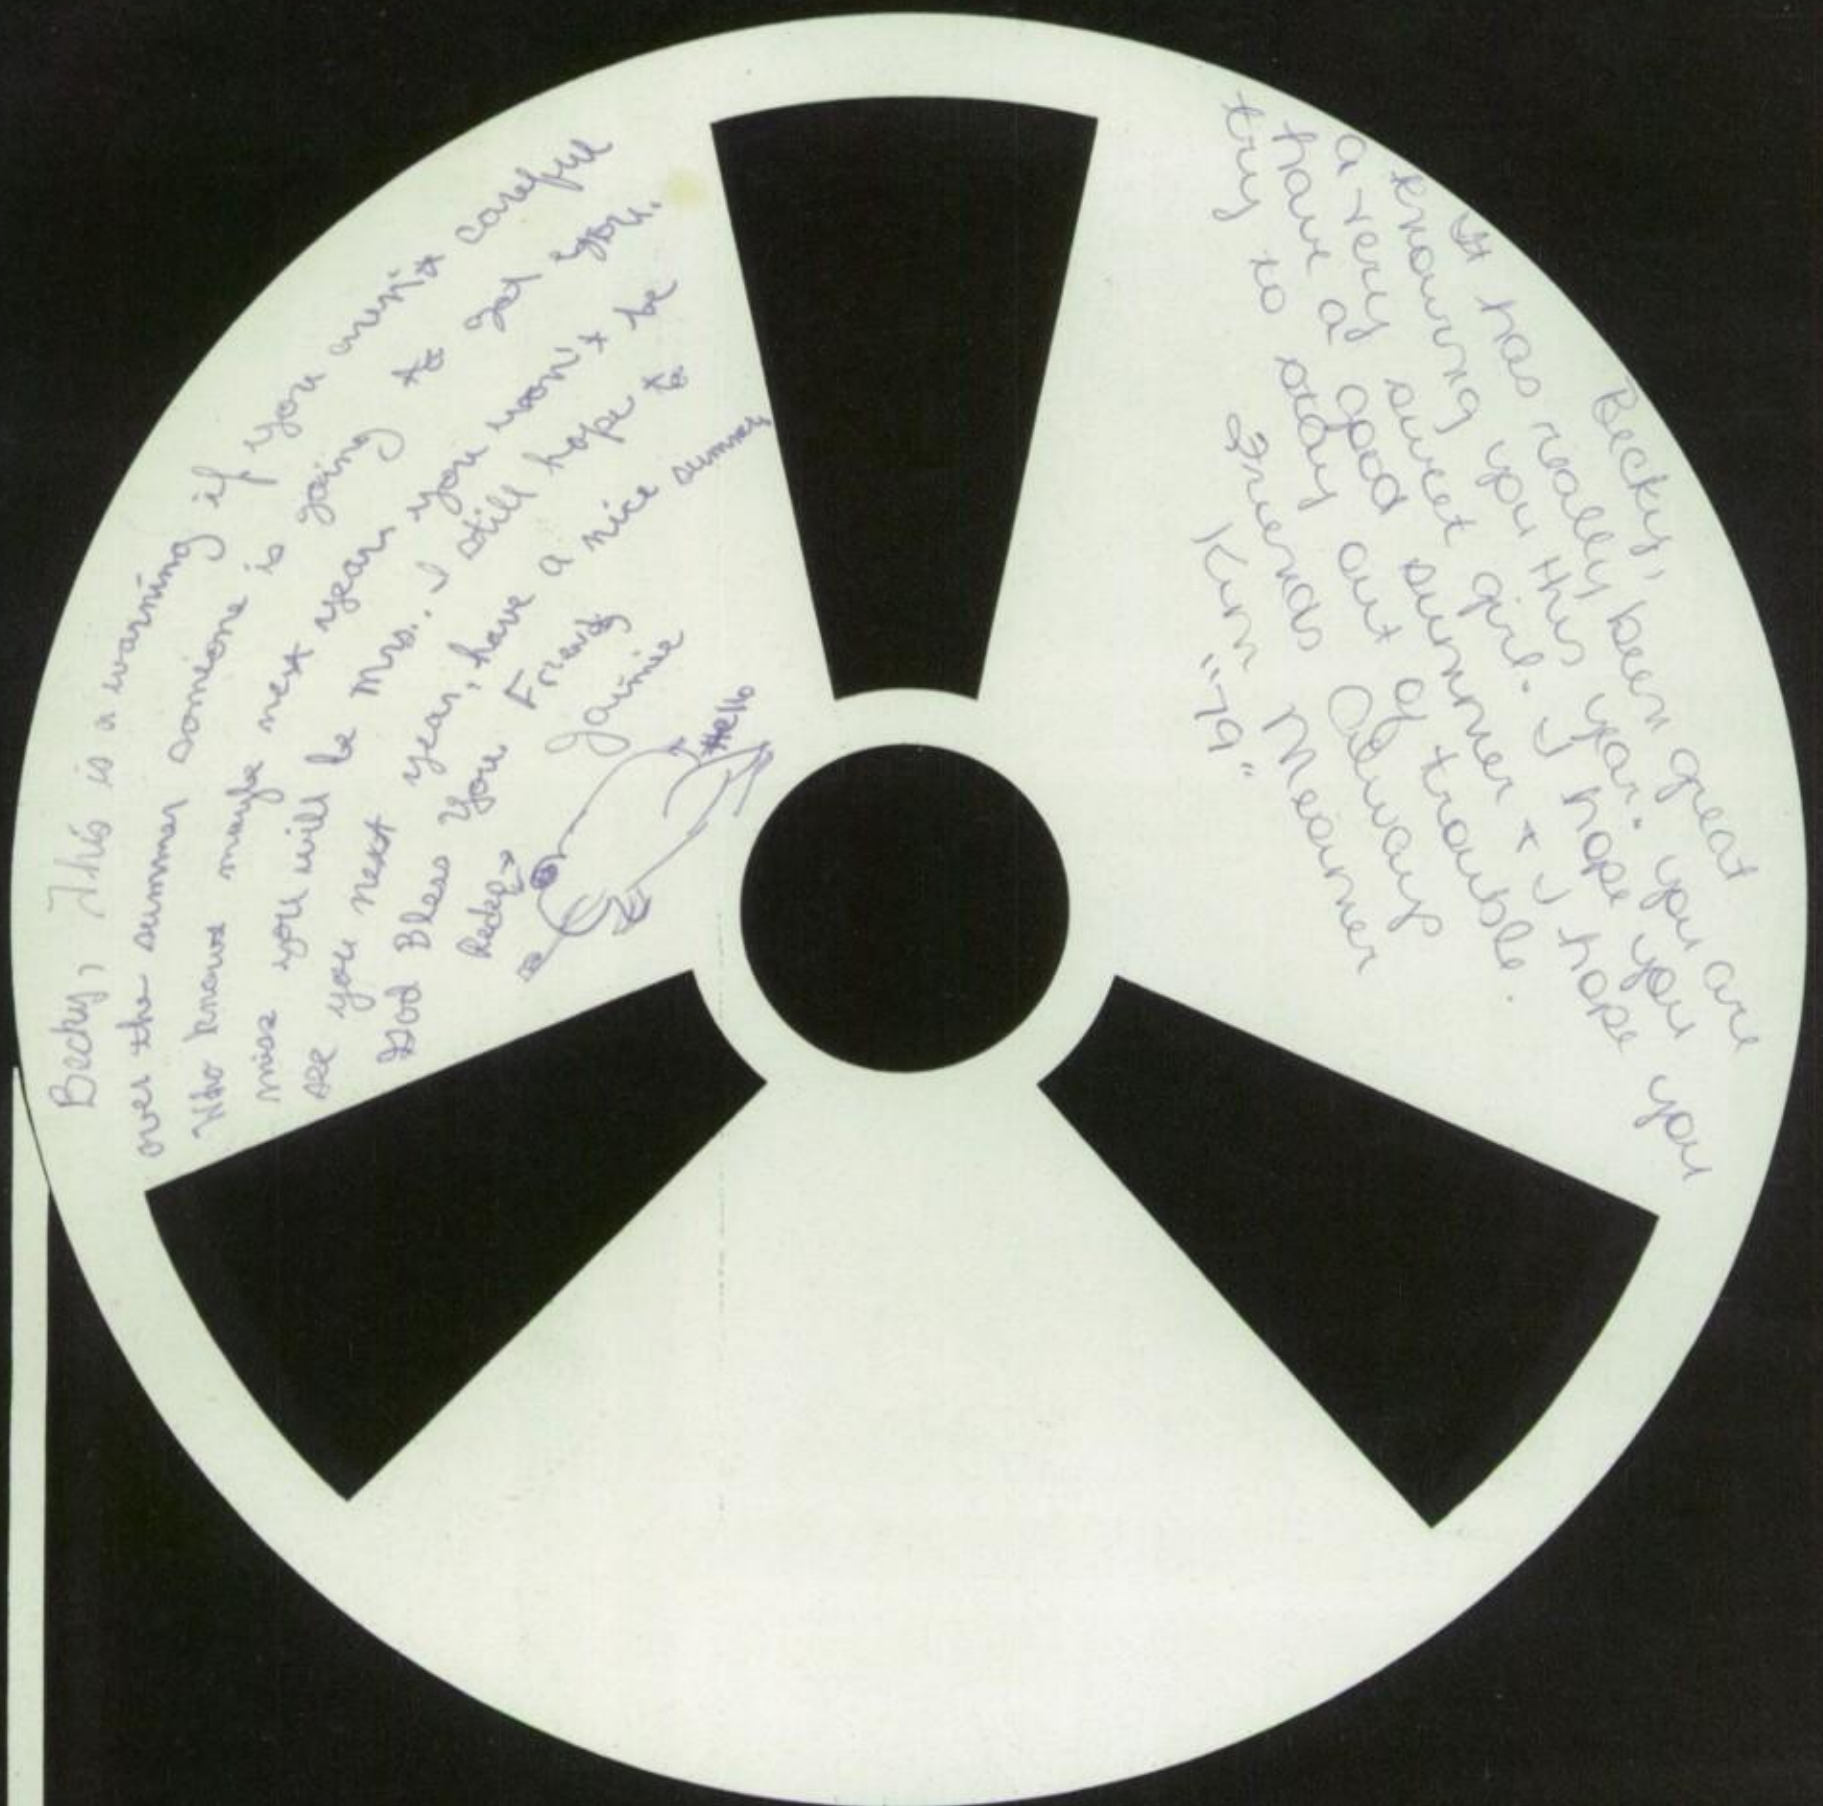

And whither
then?

I cannot
say."

Class Song

Freebird

If I leave here tomorrow, would you still remember me?
For I must be traveling on, now, 'cause there's too many places I've got to see.
But if I stayed here with you, girl, things just couldn't be the same.
'Cause I'm as free as a bird, now, and this bird you cannot change.
Lord knows, I can't change.

Bye, bye, it's been a sweet love, though this feeling I can't change.
But, please don't take it so badly, 'cause the Lord knows I'm to blame.
But if I stayed here with you, girl, things just couldn't be the same.
'Cause I'm free as a bird, now, and this bird you'll never change.
And this bird you cannot change. Lord knows, I can't change.
Lord help me. I can't change.

Class Poem

Look Ahead My Friends

We've traveled o'er the road of time, through sadness, love and fear —
Mingled with a sense of pride, for things we've held so dear.
So here we stand on the same highway, a road without an end.
Should we look back and yearn to stay? No! Look ahead my friend.
We've climbed some hills and reached the top though rugged was the way —
We've stumped our toes and tumbled down, but found a brighter day.
So here we stand on the same highway, a road without an end.
Should we look back and yearn to stay? No! Look ahead my friend.
We've other hills to conquer and other dreams to find —
We'll pack some precious memories and leave a few behind.
Yes, we'll travel down the same highway, the road with curves and bend, —
Sure, we'll look back for a glimpse of the past.
But we'll go on ahead by friends.

Homecoming "78"

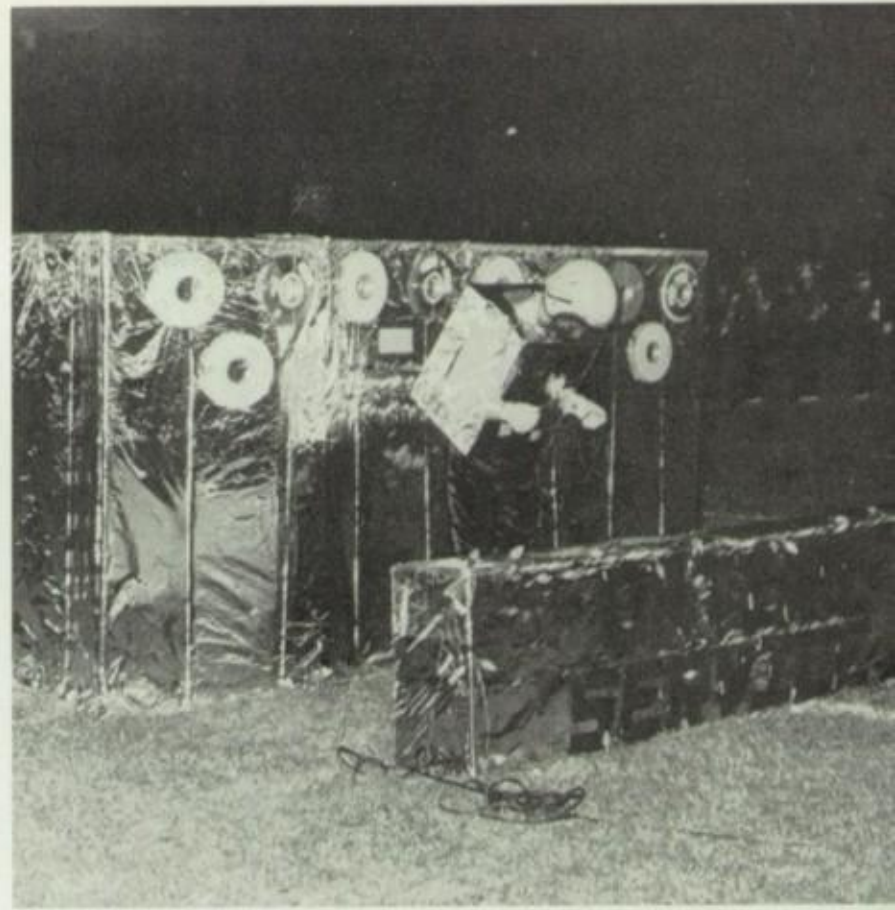

Homecoming 1978 was held on Friday, October 27. The theme this year was "Computer Romance". Mark Gibbs, Derek Eudy, Steve Templeton and Rocky Caldwell presented a skit which told of a boy trying to get a date through a computer. His choice was between 38 lovely girls of the homecoming court.

The moment everyone had waited for was the crowning of Miss Lou Ann Perry as Homecoming Queen 1978. She was crowned by Miss Patti Chewning, Miss Gridiron 1977.

Tammy Litaker was chosen as Junior Attendant and Desiree Ledwell was chosen as Freshman-Sophomore Attendant.

After a victorious win over East Rowan, Time Square played for the annual homecoming dance in the gym.

The Homecoming activities were sponsored by the Varsity Cheerleaders.

A Day In The Life Of A Bus Driver

6:30 A.M.: Crawl out of that warm bed and go start the engine so it can be warming up for the sake of the ones riding the bus.

8:05 A.M.: All of those backseat drivers, and screaming and fighting kids finally get off the bus.

7:00 A.M.: Board the bus to start the early morning load. It's going to be a long day. "Boy, do I wish I could go back to bed!"

8:15 A.M.: Rush to the locker to get in that last minute "cramming" for the first period test all of the other students got to study for while you were driving your bus.

8:00 A.M.: Mr. Pruette checks the names off as the bus rolls in to be sure a driver hasn't over slept.

8:25 A.M.: Bus drivers gather in the cafeteria and catch up on the sleep before that dreaded homeroom bell ends their short nap. Another day has begun!

2:40 P.M.: Hurry up and beat the rush of the students when they are cut loose at 2:45.

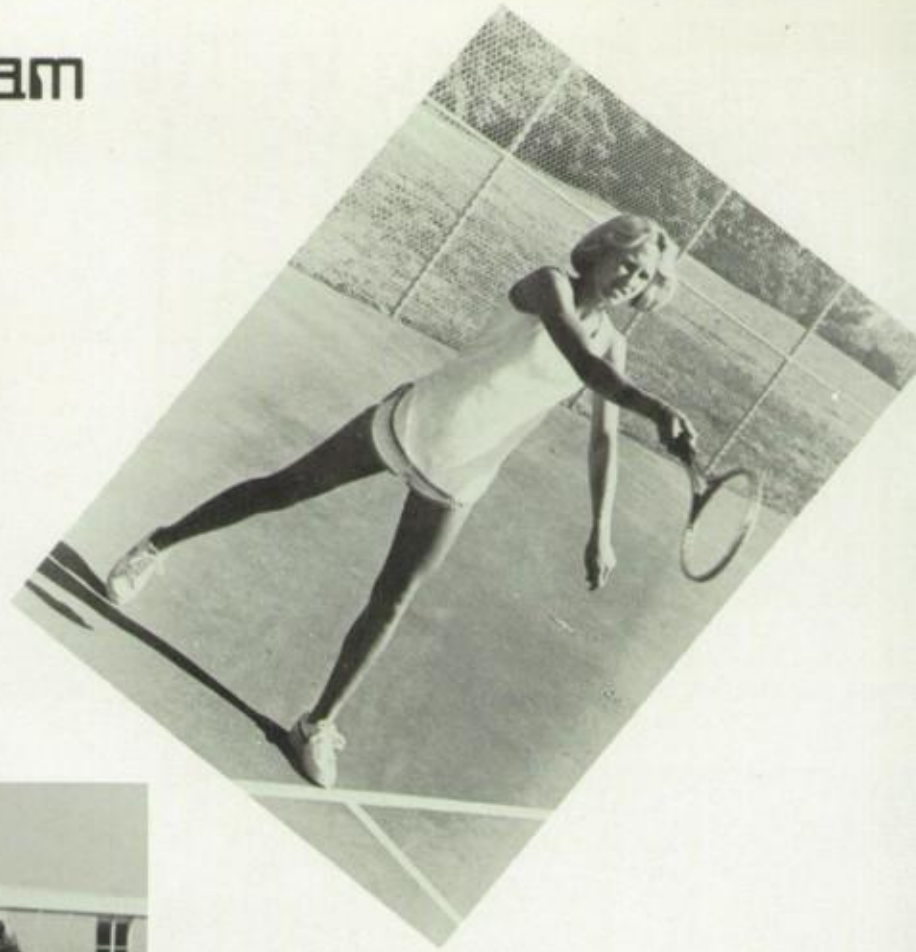

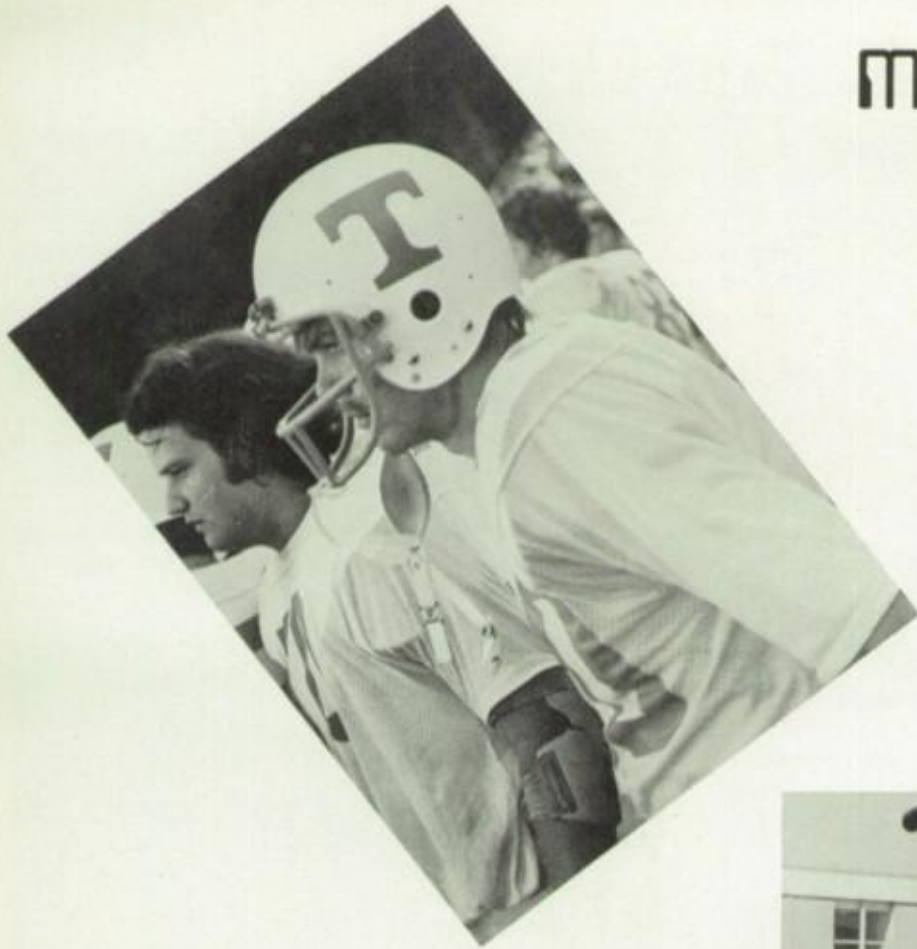

2:50 P.M.: "Now, everyone in a single file line so we can load this bus up and get home."

4:00 P.M.: "Wow! I thought this day would never end; what a relief!" And the wild and crazy day of a bus driver ends . . . until the next cold morning!

FACULTY

Northwest Cabarrus has flourished under the able leadership of Mr. Bernie Edwards. Although this was Mr. Edwards' first year as principal, he filled the position with integrity and pride. His main goals were aimed at benefiting the entire student body. Combined with his duty of assistant principal, Mr. Sonny Pruette is also head coach of the varsity football team. Both of these men put forth a valuable enthusiastic effort to promote scholastic as well as extra curricular activities.

Coaches: Sonny Pruette, Dennis Shinn, Ronnie Outen, Bob Angle, Johnny Harwood, Wesly Eidson

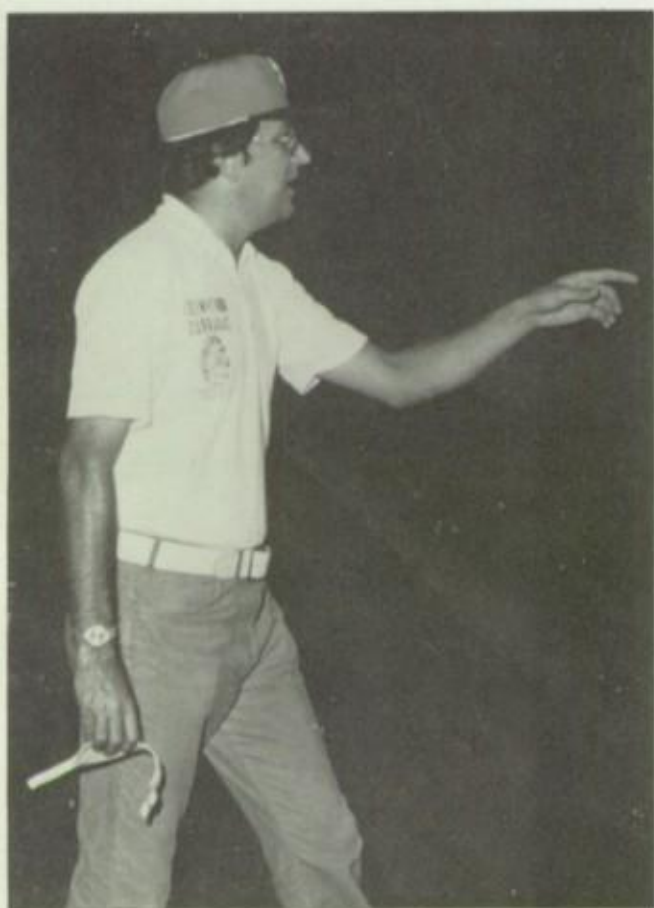

Looking back over the 1978 football season, Northwest has had two football squads any true Trojan would be proud of. Under the direction of experienced coaches such as Sonny Pruette, Johnny Harwood, Dennis Shinn, Wesley Eidson, Ronnie Outen, and Bob Angle, the Trojan fans have enjoyed the '78 season as one of stiff competition, rugged action, and gridiron excitement. The season opened with two losses, one to Kannapolis and the other to Concord. As the Trojan squad got clicking they beat North Stanly, and undefeated team. Billy Denson called the shots and lead the Trojan team to three straight victories. Then, hampered by the many injuries, the Trojans lost to both Central Cabarrus and South Rowan. Winning their last three games, the Trojans ended the season with a solid 6-4 record.

"1978 - 1979" Girls Varsity Basketball Team

The 1978 - 1979 Ladies of Troy, under the direction and leadership of Coach Rosa Burnette, produced a winning 11 - 5 season.

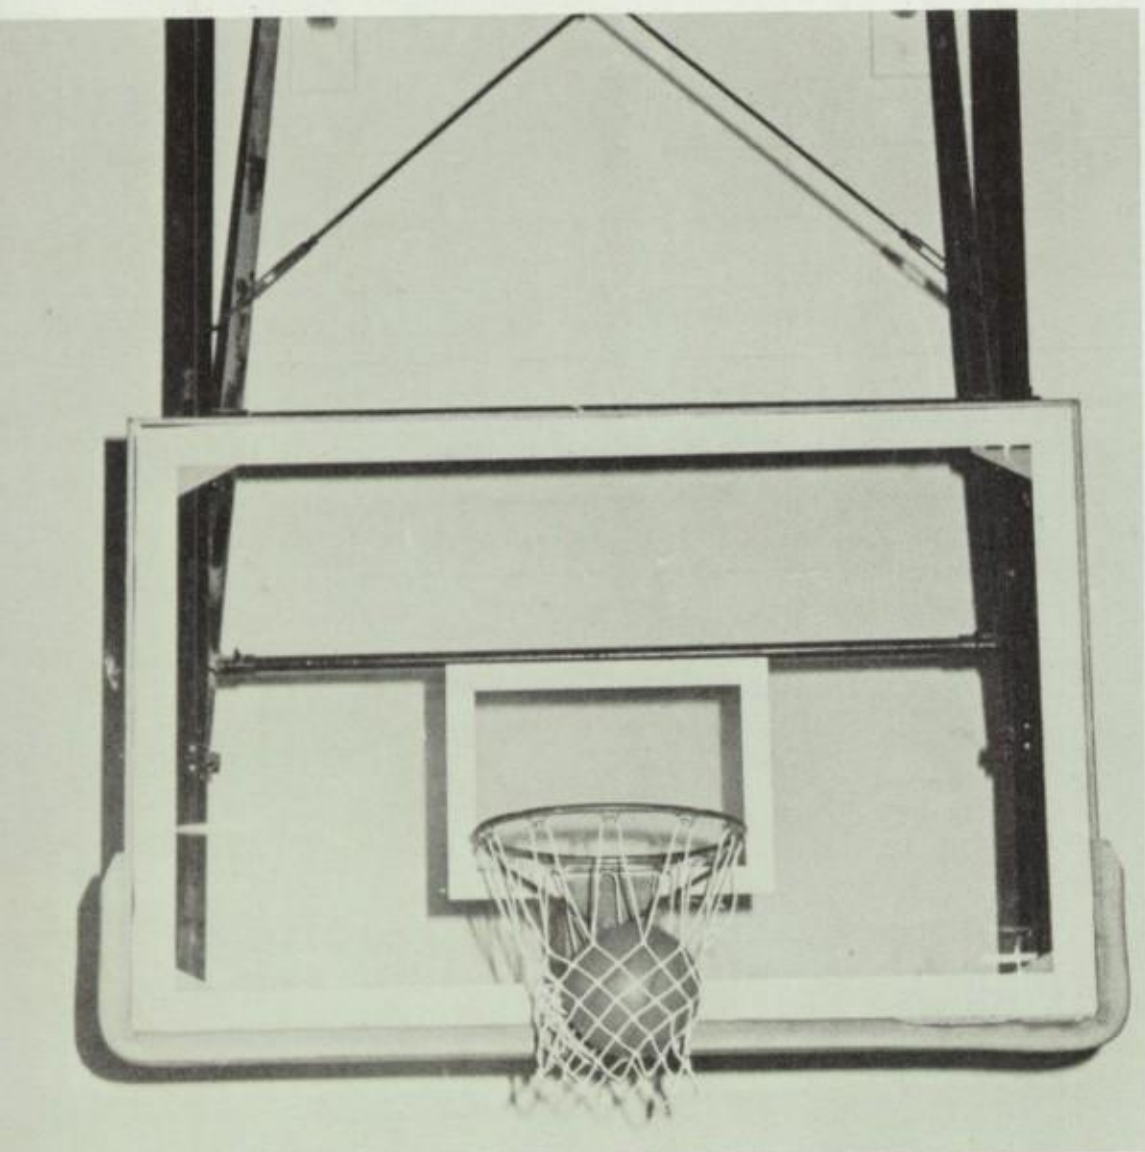

With a winning attitude, they went on the basketball court determined to succeed. The Ladies of Troy were eleven young girls with great athletic ability and tremendous effort, who always gave 100% effort. As a result the Ladies of Troy had an outstanding season.

Much pride, hard work, and effort were put forth this year by the Ladies of Troy and their new coach, Rosa Burnette. We appreciate all you have done to bring back excitement to girls' basketball. Congratulations on a successful season and good luck next year.

Once again, the Varsity Boys' Basketball Team has come shining through another season with an impressive record of which any true Trojan can be proud. The boys seized 15 wins in regular season play and were seated third in the battle for the conference champion. The record, 15-5, that the 1978-79 team holds says little for the breath-taking action and excitement that the boys rendered during the season. Overtime play kept all the fans on the edge of their seats in three separate games. In fact, the boys went into double overtime in two of the clashes; stealing a win from arch-rival Central Cabarrus, and bowing to a loss with highly competitive East Rowan.

The offense sparkled as Richard Rivens or Shawn Walker "called the shots" out front, and Scott Thrasher, Wimp Scott, and Terry Stallings worked aggressively for good position inside. The outside shooting was displayed by Randy Baker, Pete Caldwell, Jeff Beaver, Todd Ware, Herman Parks, and James McKnight. The rebounding effort was dominated by Scott Thrasher and Wimp Scott. The defensive attack was highly commendable. The famous "Angle Press" thrilled spectators as the boys always seemed to provoke the opposing team to give up the ball when the Trojans needed a basket. As Trojans, we are all certainly proud of the achievements of Coach Bob Angle and the Boys' Basketball Team. Congratulations and good luck to a young and promising team.

Trojan Wrestling

With only three starters returning from last year, the Trojan grapplers had a long way to go in preparing a strong team. The team was young and inexperienced but still proved that it had potential by defeating Salisbury in its opening match. Bruce Lambert set a new school record for the fastest pin by pinning his opponent in six seconds. Northwest hosted its first invitational tournament in December. Northwest placed third, then went on to take second in the Albemarle tournament.

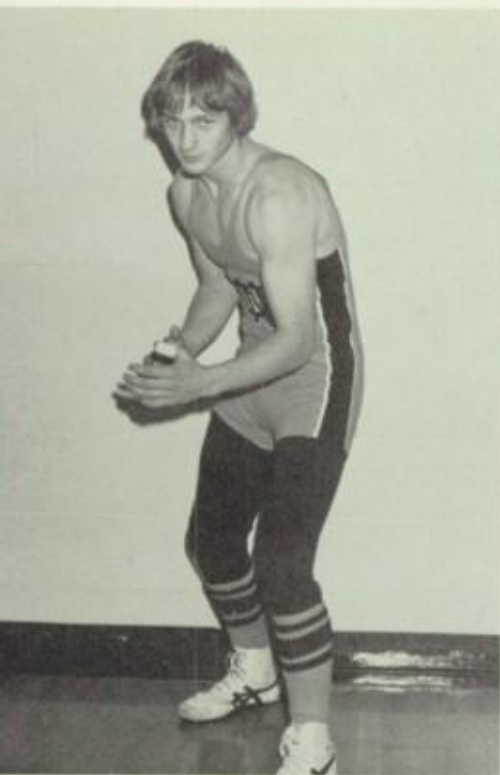

Good luck to the Trojans coaches and grapplers.

The girls tennis team had a surprising season with a 6-2 record and ending second in their conference. For the three year old team this was a vast improvement over last year's 1-8 record. In the tennis tournament Pam Allison went to the finals but was beaten by a tough opponent. Rene Barbee was named All-Conference while Penny Cartner received Honorable-Mention. Ms. Cooke is looking forward to another promising season next year with five of the six starters returning. Good luck Trojanettes.

YOUTH, TEXTILES, EDUCATION — PARTNERS IN PROGRESS

These young men — all Cannon employees — did more than earn a degree at North Carolina Vocational Textile School in June, 1978.

They attended classes four and one-half hours per day for two years, spent up to two hours each day in round trips to Belmont, worked their full-time jobs at Cannon, and met their family responsibilities. One of the graduates made straight A's.

These graduates are representative of the many people at Cannon who seek more knowledge and better opportunities through education and self-improvement. Cannon people and the company believe in the value of education. There are many productive relationships with public schools, technical institutes, colleges and universities.

Cannon recently began a new scholarship program to help employees and/or their children attend college, and to encourage more high school graduates to study for careers in textiles. The scholarships, each with a value of \$6,000, offer to the qualified applicant an open door to a college degree in textiles, textile design, computer science, chemistry, business administration, accounting, mathematics and engineering.

The American textile industry is modern, computerized, electronic, climate-controlled, scientific and artistic. It requires far more education, training and skills than ever before. There are many opportunities for qualified people. Cannon Mills is, of course, an Equal Opportunity Employer.

As I am here writing, many thoughts run through my mind. I think back on the past four years and smile. There have been many good times and a few bad, but each memory will be cherished. It is going to be hard, but the memories will live on.

I hope the 1979 DYNAMIS captured many of the special moments of the year. We want this yearbook to carry the TROJAN name proudly. I would like to thank the DYNAMIS Staff, all the understanding faculty, Mrs. Joy Hipp, and the Student body at Northwest Cabarrus for making this yearbook possible. I would like to say a very special thank-you to Mrs. Virginia Cooke for all her hard work and dedication to the yearbook and the staff. As a Senior, I have grown to love Northwest and I hope that everyone else will share this love with me and show their TROJAN SPIRIT!
